

## PROJECT NAME: ESTIA AGED CARE, SOUTHPORT

**BUILDER:** LIVING CHOICE

**PROJECT LENGTH:** 8 MONTHS September 18— April 2019

**CONTRACT VALUE:** \$1.3m

**PROJECT DETAILS:** This was a brand new 110 bed residential aged care facility was constructed close to Southport. It consisted of single rooms, all with en-suites, a number of dining and living rooms, courtyards, and a range of other facilities for residents.

**PROJECT OUTCOMES:** The client was excited about the quality and works completed by Blueline Commercial. The external façade of the building was constructed using a textured express sheet, giving it a unique and one-off finish. It was the first time that this type of façade had been done using this CSR product, the architectural finish and method of securing it.
